## FATTY ACIDS

| PRODUCT                 | DESCRIPTION                            |
|-------------------------|----------------------------------------|
| PALMERA A9908           | Caprylic Acid                          |
| PALMERA A9910           | Capric Acid                            |
| PALMERA A5608           | Caprylic - Capric Acid                 |
| PALMERA A9912           | Lauric Acid                            |
| PALMERA A9914           | Myristic Acid                          |
| PALMERA A1601           | Palmitic Acid                          |
| PALMERA A9018           | Stearic Acid 90%                       |
| PALMERA A9818           | Stearic Acid 98%                       |
| PALMERA B1802 CG        | Stearin 50/50                          |
| PALMERA B1804           | Stearin 50/50                          |
| PALMERA B1807           | Stearin 30/70                          |
| PALMERA A2290           | Erucic Acid 90%                        |
| PALMERA A8522           | Behenic Acid 85%                       |
| PALMERA A1813 e A1818   | Oleic Acid                             |
| PLANTERA CR75           | Palm Free Oleic Acid                   |
| PALMERA B1209           | Distilled Coconut Fatty Acids          |
| PALMERA B1210           | Distilled Coconut Fatty Acids          |
| PALMERA B1211           | Low Topped Coconut Fatty Acids         |
| PALMERA B1212           | Topped Coconut Fatty Acids             |
| PALMERA B1213           | Fractionated Coconut Fatty Acids       |
| PALMERA B1220           | Topped Palm Kernel Fatty Acids         |
| PALMERA B1231           | Hydrogenated Topped Lauric Fatty Acids |
| PLANTERA SY10           | Poly Unsaturated Fatty Acids           |
| PLANTERA SF10           | Poly Unsaturated Fatty Acids           |
| PLANTERA TL 10-15-90-95 | Poly Unsaturated Fatty Acids           |
| PALMERA IS-10 e IS-30   | Isostearic Acid                        |

## GLYCERINES

| PRODUCT        | DESCRIPTION      |
|----------------|------------------|
| PALMERA G995V  | Glycerine 99,5%  |
| PALMERA G865E  | Glycerine 85%    |
| PALMERA G995E  | Pharma Glycerine |
| PALMERA G995FG | Food Glycerine   |

## ESTERS

| PRODUCT                      | DESCRIPTION                    |
|------------------------------|--------------------------------|
| PALMESTER 1505               | Isopropyl Laurate              |
| PALMESTER 1512               | Isopropyl Myristate            |
| PALMESTER 1517               | Isopropyl Palmitate            |
| PALMESTER 3590 - ES10 - 3595 | Caprylic / Capric Triglyceride |

## TRIACETINES

| PRODUCT        | DESCRIPTION         |
|----------------|---------------------|
| PALMESTER 1578 | Food Triacetin      |
| PALMESTER 1579 | Triacetin           |
| EDENOR GTA     | Food Triacetin      |
| EDENOR GTF     | Palm Free Triacetin |

## DIMERS ACIDS

| PRODUCT                 | DESCRIPTION |
|-------------------------|-------------|
| PALMERA DM-10           | Dimers      |
| PLANTERA DM-95<br>DM-98 | Dimers      |
| PLANTERA TR-70          | Trimers     |
